

June 17, 1926.

A regular meeting of the Bates Twp. Board, held in the Bates Twp. Hall, June 17, 1926. Members present Lindquist, Benson, Swanson, Mitchell.

A request was made to the Board that a road be built on section one. After discussing the amount of road damages to be paid, also the cost of construction of said road, with property owners, it was moved by Mitchell supported by Benson that we withhold our decision about whether or not to make such a road until we have received legal advice about proper actions to take. Motion carried.

Motion made by Lindquist supported by Swanson that we order 9000 ft. of snow-fences and 775 posts from the Bark River Bridge and Culvert Co. Motion carried.

Moved by Lindquist supported by Benson that the taxes of John Anderson be rebated on section 5 - 43 - 34. Motion carried.

The following resolutions were offered by Lindquist who moved its adoption:

Whereas it appears that the Road Repair Fund of the Township of Bates, Iron Co, Michigan, is exhausted and no money remaining therein, and whereas it appears that the Highway Improvement Fund is likewise exhausted and no money remaining therein and where the condition exists, with reference to said funds, which make it imperative and necessary that the said Township borrow money for said funds, in anticipation of the collection of taxes for the current year. In order that the work of said Township in Road Repair and Highway Improvement funds may be continued,

Therefore, be it resolved, that the Twp. of Bates will borrow sums of money for said

two funds up to the maxime amount allowed by law at a lawful rate of interest,

Be it further resolved, that the supervisor and clerk of said Township be and they are hereby appointed a committee to negotiate and complete said loan, consistent with the terms hereof, loan not to exceed twenty-thousand dollars (\$20,000.00) on Highway Improvement fund and ten thousand dollars (\$10,000.00) on Road Repair fund.

Be it further resolved, that the said supervisor and clerk be and they are hereby appointed and empowered by this Board for and in behalf of said Township to make, execute and deliver to the person or persons, firm or firms, corporation or corporations, Banking or otherwise, the necessary or proper evidence of debts covering said loans which resolutions were supported by Benson and carried by the following vote: Ayes: Lindquist, Benson, Mitchell, and Swanson. Nays: none.

Motion made by Lindquist supported by Mitchell that we borrow \$934.43 in Highway Improvement fund and \$1647.00 in Road Repair fund. All favorable. Carried.

Moved by Mitchell supported by Swanson that bills be allowed as read and clerk instructed to draw orders on Township treasurer for same.

No further business the Board, on motion, adjourned until July 2, 1926. at 2:30 o'clock.

Contingent Fund.
